### **DETAILED ACTION**

#### Oath/Declaration

- 1. The reissue oath/declaration filed with this application is defective because it fails to identify at least one error which is relied upon to support the reissue application. See 37 CFR 1.175(a)(1) and MPEP § 1414.
- 2. Claims 1-45, 47-56, 58-68 and 70-72 are rejected as being based upon a defective reissue oath under 35 U.S.C. 251 as set forth above. See 37 CFR 1.175.

The nature of the defect(s) in the oath is set forth in the discussion above in this Office action.

## Response to Arguments

Applicant argues that ambiguity can render a claim invalid under 35 USC 112, second paragraph. However, applicant must state that the specific claim language is ambiguous (i.e., not a potentially ambiguity) and that he believes the ambiguity does render the claim invalid. Just because an ambiguity "can" render the claim invalid does not mean that it does render the claim invalid.
